

8. Childcare practice policy

Alongside associated procedures for Childcare practice, this policy was adopted Woolstone Pre-school on 01/09/2021.

Aim

Children are safe, happy, and eager to participate and to learn.

Objectives

- Children need to form a secure attachment to their key person when they join the setting to feel safe, happy and eager to participate and learn. It is their *entitlement* to be settled comfortably into a new environment.
- The needs of part-time children are considered.
- Introductions and induction of the parent is carried out before children start.
- The key person 'tunes-in' to the child emotionally and creates opportunities for learning. We actively promote British values, inclusion, equality of opportunity and the valuing of diversity.
- We operate a positive behaviour management approach. Behaviour management procedures cover how staff should respond to all aspects of behaviour, including children who exhibit challenging behaviour towards other children.

Children (2-5 years)

- To feel securely settled and ready to learn, children from two to five years need to form attachments with adults who care for them, primarily to a key person, but with other adults and children too. In this way children feel part of a community of learners; they can contribute to that community and receive from it.

Waiting list and admissions

Our provision is accessible to children and families from all sections of the local and wider community. We aim to ensure that all sections of the community receive accessible information and that our admissions procedures are fair, clear, and open to all parents who apply for places. The availability of a place at the setting considers staff/child ratios, the age of the child and registration requirements.

- We endeavour to operate in an inclusive manner which enables all children and families to access our services.
- We also have regard for the needs of parents who are:
 - looking to take up work, remain in work or extend their hours of work
 - looking to commence training or education
- We work in partnership with the local authority and other agencies to ensure that our provision is accessible to all sections of the community.
- Services are widely advertised and information is accessible to all sections of the community.

- Where the number of children wanting places exceeds the number of places available a waiting list is operated using clear criteria for allocation of places as detailed in the Waiting list and admissions procedure.

Funded places – free entitlement

All 3- and 4-year-olds in England are entitled to 15 hours free childcare each week for 38 weeks of the year. Some eligible 2 year olds are also entitled. Funded places are offered in accordance with national and local codes of practice and adherence to the relevant Provider Agreement/Contract with the local authority.
